BEYOND SIGNAGE: SMARTER, CONNECTED ENVIRONMENTS

FROM DYNAMIC CONTENT MANAGEMENT TO FULLY INTEGRATED IOT SOLUTIONS, WE CONNECT EVERY SCREEN, SENSOR, AND SYSTEM TO CREATE SMARTER, MORE RESPONSIVE ENVIRONMENTS.

DIGITAL MEDIA SOLUTIONS

PRECISION CONTENT MANAGEMENT AT ENTERPRISE SCALE

BLINC's digital media platform gives brands effortless command of every screen in their network. From a single intuitive hub, teams can create, schedule, and fine-tune content with absolute precision, ensuring the right message reaches the right audience at exactly the right moment. It's dynamic, scalable, and designed to keep your brand in motion.

IOT SOLUTIONS

STAY CONNECTED. STAY IN CONTROL

Our IoT solutions make remote monitoring, instant notifications, and intelligent reporting effortless.

BEHAVIORAL LABS INCORPORATED

STRATEGIC PARTNERSHIP
COLLABORATING TO POWER DYNAMIC, SCALABLE CONTENT
MANAGEMENT ACROSS EVERY SCREEN.

**BLINC AND SAMSUNG PARTNER TO
TRANSFORM CONTENT MANAGEMENT
WITH SMART DIGITAL SIGNAGE**

BLINC developed a strategic partnership with Samsung to develop dynamic software solutions designed to enhance Samsung’s cutting-edge content management ecosystem, VXT.

The partnership combines Samsung’s industry-leading display hardware and VXT software with BLINC’s innovative software capabilities to deliver powerful, intuitive, and scalable digital signage solutions for businesses across industries.
